PRIVATE McGregor of the 58th Regiment was charged, at the Police Court to-day, with maliciously shooting at a Chinaman with intent to do him grievous bodily harm. The complainant, who is a carpenter, said he was going on the 6th to the coal sheds at Tsim Tan-Tsoi. He did not hear any report, but he felt himself shot in the thigh. The injury was very slight. The defendant stated he was firing a Morris tube into the sea from the top of the hill. He had forgotten to adjust his sights and the shot fall short and hit the defendant. He reported the matter at once to the sergeant. A fine of \$5, with \$5 compensation to the complainant, was imposed.

The Alice Memorial Hospital fête promises to be little behind the splendid entertainment of last year, to judge from the big programme which we publish. All that can attract the sensation-loving Chinese, and even a living wonder in the shape of Foochow's eight-legged cow, has been brought together to obsrin both Westerns and Orientals. We trust the demand for tickets will be great, and we feel confident that the success will not be much behind that of last year. We are glad to note that the Committee have decided to continue the fete on the Saturday evening. The community are bound to take out the week in jubilations, and no better form of amusament could be devised.

WE hear that the Aden Agent of the N. D. Lloyd Bampany proceeded some time ago with a small ateamer to the wreck of the S.S. Oder, and succeeded in salving a part of the cargo, including 180 bales silk and a quantity of tea. The silk and tea were stored away in the forehold, and being in good order were forwarded to their destinations on board the Company's steamer Numberg. A small tiger, which Captain Pfeiffer used to keep in a cage on board and which had been let loose after the crew and passengers left the ill-fated steamer, was still found on board alive, having evidently kept itself alive by preying on the cattle, fowl or rate it must have found HOMEWARD BOUND:-Hankow, Sept. 16; on board.
